

## Extra Break Time for Nursing Mothers

We know that taking a certification exam is an important step in your career, so we want to make sure you are in your best condition to be successful. We will provide extra break time for nursing mothers during the following exams, if requested.

### IN-TRAINING EXAMS

Nursing mothers may request a 40-minute break for the In-Training Exams in Anesthesiology, Critical Care, Pain Medicine or Pediatric Anesthesiology. Requests must be submitted 60 days prior to the exam date.

### OTHER ABA-ADMINISTERED WRITTEN EXAMS

Nursing mothers may request a 20-minute break in addition to the standard 20-minute break for the following exams: ADVANCED Exam, BASIC Exam, Critical Care Medicine Exam, Pain Medicine Exam, Part 1 Exam and Pediatric Anesthesiology Exam. Requests must be submitted 60 days prior to the exam date.

### APPLIED/PART 2 EXAM

Nursing mothers may request a 25-minute break in addition to the standard 10-minute break. Requests must be submitted three months before the first day of candidates' exam week.

### NEUROCRITICAL CARE EXAM

Nursing mothers may request a 60-minute break in addition to the standard 30-minute break. Request dates are set by the American Board of Psychiatry and Neurology. The 2021 request deadline is June 15.
