

Thank you for your interest in Health Care Administration, Leadership and Management (HALM) subspecialty certification. There are two eligibility criteria for initial certification in HALM: fellowship training pathway and practice-only pathway. You must meet one of the two eligibility criteria. [Review eligibility here.](#)

Your registration must be completed in one sitting and your entries will not be saved until submission.

Your HALM Registration Checklist:

To ensure your exam registration is seamless, please have the following information and documentation prepared before starting your registration:

- Eight-digit ABA ID
- Curriculum Vitae
- Job description
- Organizational info (address, phone number, etc.)
- Director supervisor information (name, title, phone number, email address)

If applicable:

- HALM Fellowship Information
- Copy of MBA Degree
- Copy American College of Healthcare Executives (ACHE) or American Association of Physician Leadership (AAPL) credentials

When your checklist is complete you are ready to begin your registration for HALM. Launch your registration [here](#).

Our Credentialing Department will review your registration to ensure it meets eligibility requirements. Following approval of your registration, you will receive verification and will receive access to complete your payment in ABA GO. ABEM will follow up with details on how to schedule your exam later this year.
